

F.C. Metalul Soccer Academy Policies

Uniform Policy

- ❖ The Academy uses three uniform kits: a short sleeve yellow kit, a short sleeve red kit, and a long sleeve blue kit. The Academy purchases and owns the red and blue kits and will loan them to the player. The player is required to purchase and will own the yellow kit. The cost of this is \$70.00.
- ❖ When the red and blue kits are returned, and there is more damage than the normal wear and tear, the player will be required to pay a fee of \$70.00 for each kit.

Code Of Conduct Policy

- ❖ As a member of this Academy, we expect players to show good sportsmanship at all times. This means showing respect for your teammates, coaches, opponents, and referees. Show up to training and be willing to work and not be disruptive. If a player is being disrespectful and interrupting training, they will be asked to sit out the remaining time of training. Inappropriate language will not be tolerated.
- ❖ Parents and Guardians will be expected to follow the same rules at training and games. Parents and Guardians will use the 24-hour rule after games if there are any issues that need to be discussed. Please approach any coach or board member with respect, and the issue will get resolved. We are here for each member.

Training Policy

- ❖ Training will be 2 days a week. Locations will be at the Noble County Soccer Field or the Goodfellas Park. Training is required. If a player misses more than **5 unexcused or a total of 10** training sessions per season, they will be either demoted from the Tournament Academy team that season or will be skipped over for that season's promotion. This will be at the coach's discretion. The player will then have the opportunity for promotion the following season. Examples of excusable reasons are practice with a non-soccer sport, travel distance, illness, family gatherings, or church functions. Parents will be required to inform a coach at least 2 hours before training if they are unable to attend.
- ❖ Training cost is \$10.00 a session/week depending on the season.
- ❖ Spring session training will start in March and go till the last league game or tournament weekend possible to the beginning of June. June will begin the first break period.
- ❖ Fall session training will start in August and end after the last league game or tournament weekend possible to the beginning of November. November will begin the second break period till January.

Offseason events

- ❖ We will participate in indoor season from January to March. Training session schedule will be posted for each year at the beginning of the season. There may be opportunities for a winter indoor tournament for select players.

Tryouts

- ❖ **NO TRYOUT DATES OR CUTS!** Everyone has an opportunity to play during indoor and MOVSA. You will be evaluated at each training season, Indoor game, and MOVSA game. Promotion to the Academy team is individualized based on the display of work ethic, skill accomplishments, and attitude of the player.
